

We stopped by the Mix 107.3 suite and found 105.9's **Kirk McEwen**, *Washington Examiner's* **Tara Palmeri**, Mix 107.3's **Tommy McFly**, and 105.9's **Suzie Ansilio**.

**Tigerlily!**

We went to the first annual **Kickoff for Breast Cancer** at **Josephine Lounge** to benefit **The Tigerlily Foundation**, and mingled with sport stars and personalities. Event coordinator doctor **Alex Naini** is with host and 'Skins QB **Jason Campbell**, who predicted **Kentucky** will win March madness. Oops. We know he was in yesterday's issue, but **we love him** (even if Bruce Allen watched Sam Bradford throw passes yesterday).

**Tigerlily** is the leading foundation providing full lifecycle services such as meals, financial assistance, and support to young women with breast cancer. Its founder, survivor **Maimah Karmo**, is flanked by Critique Virtual Boutique's **Toni Foster** and Ame Beauty Boutique's **Sherri Green**.

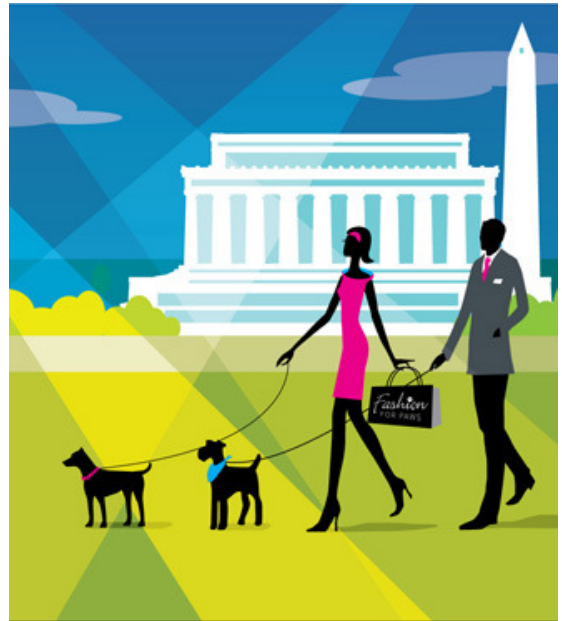

Comcast SportsNet's **Kelli Johnson** and 'Skins defensive tackle **Lorenzo Alexander**.

**G40!**

We stopped by the '80's throw back **closing reception** of the **G40 art extravaganza** in Crystal City on Saturday and snapped art lovers **Jeannie Berkinshaw**, **Hunter Bradshaw**, and his mom, **Gay Ryan**.
