**Tigerlily Foundation**  
**October 22 2009 Annual Gala**  
**Sponsorship Package**

**Tigerlily Foundation (Tigerlily)** was founded by a young survivor of breast cancer, Maimah Karmo, who like many younger women, had no idea that young women could get breast cancer.

Tigerlily Foundation is one of the only nation-wide organizations providing full-lifecycle assistance to young women – before, during and after breast cancer – to include, education, financial assistance, meals, groceries, buddies, buddy bags and empowerment to young women affected by breast cancer. What differentiates Tigerlily Foundation from other breast cancer foundations are three distinct qualities:

- We are solely focused on young women – 15 – 40.
- We are 100% service-oriented.
- We focus on lifestyle and prevention, empowering young women to be their own best advocates.

This inaugural experience is the intersection of *business leaders, young women, and survivors of breast cancers*, with education, health and wellness. At this event, attendees will hear from *Rep. Debbie Wasserman Schultz*, a dynamic speaker and survivor of breast cancer; dynamic business leaders, as well as get a chance to enjoy cocktails and appetizers, along with members of the media, Congress and member of *Washington, DC's elite*, as well as the *philanthropic community*.

As a sponsor, this is an opportunity for business and individuals to support Tigerlily in its mission to educate, empower, advocate for, support and end isolation among young women affected by breast cancer. This opportunity will increase your visibility amongst key business owners and lawmakers, people who are shaping our state's capital and the world.

Your contributions are an essential element to the advancement of this non-profit organization. Your support will allow us to continue to do our work of educating young women about breast cancer and supporting young women through treatment and beyond. Your support will change the way women live, view their health, view their personal power and enable them to act responsibly, as educated advocates and leaders in the fight to stop breast cancer.

**Benefits of Sponsorships:**

- Sponsoring *Tigerlily's* Congressional Reception is a **cost effective** way for your organization to gain **exposure**, as we support young women in the community, with breast cancer, the second leading cause of cancer death in women in the United States.
- Sponsoring *Tigerlily* events and publications **enhances** a company's **recognition** within the breast cancer, health and multicultural communities, **strengthens** their relations with existing clients, and helps to **generate new business**.
