

SPiRiT Retreat: Transforming the Cancer Journey With Spirituality
May 4–6, 2018
Sponsorship Package

When faced with a cancer diagnosis, women and their families often go through a spiritual crisis as well as a physical one. That’s why Tigerlily Foundation and Unity created the SPiRiT Retreat, a transformational three-day retreat designed to provide inspiration, rejuvenation, and affirming spiritual support tools for cancer survivors and their caregivers to use in their healing journey.

Thanks to our generous sponsors and donors, we aim to provide full scholarships and travel grants for this experiential program on the peaceful grounds of Unity Village, Missouri.
